#### Task 1 - Research

Research your favourite Fashion and Textiles designers and produce 2 x A4 pages on what makes their work stand out to you. Include illustrations and images of their work.

#### Task 2 - Create

Create a set of variations on a theme of natural forms for a range of designs for a Summer or Autumn collection. This should fill 3 x A3 sheets and can include annotations with your reasons for including particular elements of design.

#### Task 3 - Question

Why is it important in Textiles to become more sustainable and take care for the planet? Add your thoughts on this, and how it affects how Textile artists and fashion designers work to your designs.
