WILBERFORCE sixth form college

Parental Visit Consent and Communication Form 2019/2020

No.3

Student Name ..... Date of Birth .....

As a College, we consider trips and visits to be a valuable part of the student educational experience. For some courses, work experience is a key part of the teaching. All offsite activities are regulated by a detailed Visits Policy, a copy of which is available on request. Completing and returning the form allows us to arrange a variety of activities such as team sports events, theatre, cinema or lecture visits without having to contact parents every time. In the case of work placements, foreign visits, visits involving an overnight stay or potentially hazardous activities, we will always contact parents with further details at the time.

A consent form is required every year. Students without a completed consent form will not be able to take part in visits. Students 18 or over can sign the form themselves.

- **I give consent for the student named below to take part in educational visits and work placements for the academic year 2019/2020.**
- **In the event of an emergency, I give permission for the organiser of the visit to seek medical treatment/intervention.**
- **I understand that information I have provided will be held in line with the General Data Protection Regulation Act (2018). For further information see our Privacy Notices on the college website, www.wilberforce.ac.uk.**
