

Wilberforce College
Public Benefit Statement
2022

1. Legal Status

The Corporation of Wilberforce Sixth Form College was established under the Further and Higher Education Act 1992. The Corporation has the status of an exempt charity for the purposes of Part 3 of the Charities Act 2011.

Wilberforce Sixth Form College is regulated by the Secretary of State for Education and its members of the Governing Body, who are trustees of the Charity, are disclosed within the Report of the Governing Body and on the College's [Governance webpage](#).

2. Public Benefit

In setting and reviewing the College's strategic objectives, the Governing Body has had due regard for the Charity Commission's guidance on public benefit and particularly upon its supplementary guidance on the advancement of education. The guidance sets out the requirement that all organisations wishing to be recognised as charities must demonstrate explicitly that their aims are for the public benefit.

In delivering its mission, the College provides the following identifiable public benefits through the advancement of education:

- High quality teaching and excellent student achievement.
- Widening participation and tackling social exclusion.
- Excellent employment record for students.
- Strong student support systems.
- Partnerships with Higher Education.
- Links with employers, industry and commerce.
- Links with Local Enterprise Partnerships (LEPs).
- Partnership working with other Sixth Form colleges to improve opportunities for all students.

3. Core Values, Mission and Strategic Priorities

Wilberforce College's mission is to be an outstanding College, with an innovative curriculum that supports all students to achieve the best possible life chances.

The College's Strategic Priorities for 2021-22 are:

Outstanding outcomes

- A fully ambitious, challenging curriculum that provides students with first rate qualifications.
- Aspirational and stimulating teaching and learning that engages all students at all levels.

- Stretch and challenge of all groups of students to ensure that all reach their potential, and there are no significant gaps.
- A student support framework that proactively removes barriers to learning.

Outstanding progression

- A curriculum that is aligned to local and national priorities that enables all students to progress to their chosen destinations.
- Students are equipped with the skills, knowledge and behaviours needed to progress in education and employment – including proficiency in English and Mathematics.
- Students are educated and supported to make decisions that ensures their long-term health and well-being.

Outstanding experience

- Students have access to a wide, rich set of experiences through the curriculum, tutorial and the upskilling programme.
- High expectations of behaviours and attitudes ensure all students develop a strong work ethic, resilience, and determination.
- Sustainable growth in student numbers that maintains a vibrant, interactive learning environment, in which students are highly challenged.
- A College environment with first class facilities, welcoming, accessible and a place enjoy being in.

The College continues to have a set of core values that underpin the work of the College. The College's Core Values are:

- We conduct ourselves with integrity and respect for all.
- We make students' experience central.
- We value individuals and promote self-esteem.
- We work as a team.
- We encourage innovation, creativity and enjoyment.
- We aim for excellence in everything we do.

4. Wilberforce College's Stakeholders

Wilberforce College has many stakeholders, these include:

- Students, Parents and Staff.
- Local Authorities and Government Offices.
- The Humber LEP.
- Local employers and the local community.
- Other FE and HE institutions.
- Trade Unions.
- Professional bodies.
- Bondholders.
- Sixth Form Commissioner and Education Sector funding bodies.

5. Wilberforce College's Beneficiaries

We believe that the strength of Wilberforce comes from its focus as a specialist Sixth Form College, delivering exclusively to 16-19 year olds. This means the courses offered, the staffing and resources

are all targeted at helping young people achieve their full potential, in an environment designed especially for them.

Wilberforce provides a supportive learning environment, with student services, careers and teaching departments working in partnership. The College's strategy is to consolidate student numbers whilst remaining responsive to the demands of the community, Wilberforce is therefore proud to boast one of the highest retention and success rates in the UK. Wilberforce is committed to enabling all students achieve their full potential in a supportive and inclusive environment, and as such, the College demonstrates its commitment to Equality and Diversity through its Single Equality Scheme and associated annual report.

Since opening, Wilberforce has recognised that the needs of its beneficiaries and the wider community are not static. As such, the College has demonstrated innovation and agility in ensuring it continues to meet these changing needs, through innovative teaching strategies supporting high quality and relevant curriculums. In 2000, Wilberforce introduced its first vocational courses to its curriculum and with the continued success of the vocational curriculum, from September 2021 the College launched its first T-level programmes, focusing on Health.

5.1 Students

Wilberforce's key beneficiaries are the students. As such, the College is committed to ensuring that student experience is central to its core aims. Wilberforce measures its success in terms of student progression, retention, achievement, employability and satisfaction.

The College seeks to improve the qualifications, skills and employability of the students it engages with through our;

- High quality teaching and curriculum.
- Upskilling programme.
- Excellence Programme.
- Sports Academy.
- Enrichment activities.
- Pastoral Support.
- Careers Services.
- Academic Mentor and Tutorial Programme.

The College also works closely with the Students' Union to ensure students have opportunities for personal development, enrichment and volunteering with charities and local organisations during their time at Wilberforce.

5.2 Further and Higher Education Institutions, Partners and Employers

Further and Higher Education institutions and employers are also beneficiaries of Wilberforce through the advanced qualifications and skillset its alumni. Student destinations demonstrate the success in this measure, with alumni successfully moving into Higher Education, Apprenticeships and employment.

Wilberforce also measures its success in delivering the qualifications and skills sought by Higher Education institutions and employers through our broad, active partnerships with local and national organisations and employers, as well as with Further and Higher Education providers, including the Universities of Hull, Lincoln, Coventry (Scarborough Campus), York and Leeds Trinity.

Wilberforce is member of the Advance Colleges Trust (ACT), a partnership between three independent, incorporated Sixth Form colleges: Franklin, John Leggott and Wilberforce. The ACT is based on firm history of collaboration and partnership working, and has already made significant strides in raising

standards in teaching and learning. As such, Wilberforce continues to provide benefit to the partner colleges of the ACT through its active membership, coordination and collaboration.

In 2021, Wilberforce College lead the ACT College Collaboration Fund (CCF) bid and was successful in securing substantial funds to complete its project focusing on increasing attainment level, progression to level 3 and beyond, student engagement, and to enhance the blended learning experience of students.

As part of the ACT, Wilberforce has also jointly launched the '**ACT 360**' programme in 2021/22, funded through the Skills Accelerator Project, 'ACT 360' offers 360-degree support for students and young entrepreneurs, developing an innovative, new immersive learning space in 2022. The space will be used not only by students, but also young entrepreneurs aged 18-25 developing green energy ideas.

In conjunction with the eleven other providers who form the **TEC Partnership**, Wilberforce was successful in its bid to join the Skills Accelerator Programme and won a Skills Development Fund in 2021. The investment will provide the College with funds to respond to local priorities for skills and innovation focusing on future industries and green energy, and expanding career opportunities for students into the Green Port Hull and Logistics.

5.3 The Local and Wider Community

The College also benefits the local and wider community, not only as an employer for approximately 155 staff and volunteers, but also by upskilling and raising the educational aspirations of the young-people in the region. As such, the College reduces dependency on public services and helps to address the regional issues of social deprivation and poverty.

In 2018, the College became one of only 21 post-16 institutions in England to establish a **Maths Centre for Excellence**, tasked with improving the quality of GCSE maths provision for young people in the region. Wilberforce College is one of only three colleges named as Maths Centre for Excellence in Yorkshire and the Humber.

Named as an **EdTech Demonstrator College** in 2020, Wilberforce has become a national leader in digital learning, providing professional development and support to schools and colleges locally and nationally. Following its success in this field, Wilberforce was the first college in the UK to be awarded **Microsoft Showcase College** status in 2021. In leading the way in online and remote learning for schools and colleges, Wilberforce has worked with education providers locally, nationally and internationally, in implementing a transformative digital platforms.

Wilberforce College also works in close partnership with the fellow members of the Advance College Trust (ACT), who work in collaboration to provide strategic leadership within Education across the region. Wilberforce genuinely values being part of the local and wider community, and this passion to service the community is felt throughout the College, from the Board of Governors to the teachers, and support staff. The College is proud to support the local community through staff and student involvement with community work, charities and organisations. As well as by providing low-cost facilities to community groups for events and activities, offering accessible and affordable community theatre, and health and beauty treatments in our hair and beauty salons.

6. How we Measure and Monitor our Progress

- The College's most recent Ofsted Inspection report can be found [HERE](#)
- The College's Annual Report and Financial Statements.

- Achievement results in published performances tables.
- Public records and minutes of Board meetings.
- Student and staff surveys.
- The College seeks engagement from its stakeholders and wider community on the progress made by the College in meeting the current and future educational and training needs.
