DBS Update Service

We also request that you subscribe to the Update Service when you apply for a DBS check, which means that you may never need to apply for another one again.

For a small annual subscription of just £13 you can have your DBS Certificate kept up-to-date and take it with you from role to role, where the same type and level of check is required. By subscribing to the new Update Service you could save yourself a lot of time and money in the future.

If you would like further information on this, please look at
