## Parent/Guardian Email Contact

Email will be our primary method of communication with parents/guardians. Your address will be used to provide updates and information. We need at least one parent/guardian email; however, you can provide two if both want to receive information. Our system does not work with a BT Internet email address, so please provide an alternative.

3. Are there any allergies, reactions or dietary conditions that we should be aware of?

## **Parental Visit Consent**

As a College, we consider trips and visits to be a valuable part of the student educational experience. For some courses, work experience is a key part of the teaching. All offsite activities are regulated by a detailed Visits Policy, a copy of which is available on request. Completing and returning this form allows us to arrange a variety of activities such as team sports events, theatre, cinema or lecture visits without having to contact parents every time. In the case of work placements, foreign visits, visits involving an overnight stay or potentially hazardous activities, we will always contact parents with further details at the time.

A consent form is required every year. Students without a completed consent form will not be able to take part in visits. <u>Students 18 or over can sign the form themselves.</u>

- I give consent for the student named below to take part in educational visits and work placements for the academic year 2023/24.
- In the event of an emergency, I give permission for the organiser of the visit to seek medical treatment/intervention.
- I understand that information I have provided will be held in line with the General Data Protection Regulation Act (2018). For further information see our Privacy Notices on the college website, www.wilberforce.ac.uk.
