

Wilberforce Sixth Form College

Provider Access Policy

Responsibility of: Careers Leader and Vice Principal

Date of Approval: 30/01/2023

Review Cycle: Every 3 Years

Introduction

This policy statement outlines the college's arrangements for managing the access of providers to students at Wilberforce Sixth Form College, giving them information about the provider's education or training offer. This complies with our legal obligations under Section 42B of the Education Act 1997.

Our provider access legislation builds on Gatsby Benchmark 7. It is a key mechanism to further help learners understand and take-up, not just apprenticeships, but wider technical education options such as T-Levels and Higher Technical Qualifications.

The Baker Clause

Introduced as an amendment to the Technical and Further Education Act 2017, the Baker Clause stipulates that schools must allow colleges and training providers access to every student in years 8- 13 to discuss non-academic routes that are available to them. It is expected that by doing so this will help address the UK's productivity challenges and address skills shortages experienced across several sectors of the economy. This regulation has been enforced since January 2nd 2018. New Provider Access Legislation guidelines have been implemented by the Careers & Enterprise Company, to be implemented in all schools and college from January 2023.

Student Entitlement

All students are entitled:

- To find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through careers fairs, parents' evenings, provider drop-ins, progression events and 1-1 impartial careers advice appointments.
- To understand how to make applications for the full range of academic and technical courses.
- To two encounters during year 12 or 13 that are mandatory for the school to put on but optional for pupils to attend, to take place any time during year 12 or between 1 September and 28 February during year 13.

College Promise

In line with the standards set by the Careers & Enterprise Company, the college will ensure that providers of technical education or apprenticeships provide information to pupils that, as a minimum, includes:

- Information about the provider and the approved technical education qualifications or apprenticeships that the provider offers,
- Information about the careers to which those technical education qualifications or apprenticeships might lead,
- A description of what learning or training with the provider is like,
- Responses to questions from the pupils about the provider or approved technical education qualifications and apprenticeships

Management of Provider Access Requests Procedure

We welcome all providers of apprenticeships, T-Levels and other technical and vocational education pathways into the college to share information about their learning offer with learners. Providers may contribute to careers fairs, talks, virtual workshops and drop-in advice surgeries for learners.

Wilberforce Sixth Form College:

A provider wishing to request access should contact Sarah Didsbury– Careers Leader
