

BTEC MEDICAL SCIENCE SUMMER BRIDGING WORK 2025

Summer Bridging Work is an important part of your transition to Wilberforce Sixth Form College. This piece of work will count towards your effort grade. Please complete your summer bridging work in time for the start of term.

OVERVIEW OF SUBJECT

Welcome to the captivating world of BTEC Medical Science! Prepare to embark on a journey of discovery and exploration of the humans as living organsisms. BTEC Medical Science delves into the fascinating mechanisms and processes that govern life. This course will challenge you to think critically, analyse data, and make connections between different biological concepts. You will learn about the functioning of the human body and the various factors that affect it. BTEC Medical Science will equip you with the knowledge and skills needed to understand and appreciate the complexity of the human body.

ENTRY CRITERIA

- Average GCSE points score of 5.3 (to achieve this average, this means your GCSE results need to mainly be grades 5 or 6)
- Grade 5 in GCSE Biology or grade 6-5 in Combined Science
- Grade 6 in GCSE Mathematics (this course has a large mathematical component)
- Grade 4 in English Language (this course involves writing coursework where clear communication is vital)

ACCESSING THE BRIDGING WORK

The bridging work needs to be completed electronically. Please click the following link to access it:
